

## **DCC Courses Designed for Transfer (T) and Not Designed for Transfer (NT)**

Students planning to transfer to senior colleges/universities in pursuit of a baccalaureate degree should contact the receiving institution to determine appropriateness of these courses toward the baccalaureate degree. While the course may be used to meet degree and certificate requirements at Delgado Community College, the receiving institution ultimately determines transferability of courses to a baccalaureate program. (Updated: July 31, 2013)

- ACCT 111 - Fundamentals of Accounting (NT)
- ACCT 201 - Accounting I (T)
- ACCT 202 - Accounting II (T)

### **DCC Courses Designed for Transfer (T) and Not Designed for Transfer (NT)**

Students planning to transfer to senior colleges/universities in pursuit of a baccalaureate degree should contact the receiving institution to determine appropriateness of these courses toward the baccalaureate degree. While the course may be used to meet degree and certificate requirements at Delgado Community College, the receiving institution ultimately determines transferability of courses to a baccalaureate program. (Updated: July 31, 2013)
