

Trial Course Schedule

Use this as a worksheet to help you create your course schedule. Mark out any times when you cannot schedule a class due to work, family, travel or other obligations. You should also pencil in some dedicated study time, tutor time, etc. Please use a pencil so you can easily make changes.

Time	Monday <i>course number/ section number</i>	Tuesday <i>course number/ section number</i>	Wednesday <i>course number/ section number</i>	Thursday <i>course number/ section number</i>	Friday <i>course number/ section number</i>	Saturday <i>course number/ section number</i>	List courses you would like to take below. Try to list them in priority order. Examples: HESC 111 BIOL 141 BIOL 143 My preferred courses: _____ _____ _____ _____ _____ _____ _____ _____ _____ _____
7 A.M.

What Do You Write On Your Trial Schedule?

List the courses you would like to take by prefix, number and section number. Be very careful with section numbers. Each identifies a unique course.
